Feedback for Your Instructor

(Please note: written comments provided on this page are for your **instructor only**)

Your comments will be returned to the Faculty Member within three weeks after the submission of the course grades to the Registrar's Office.

1. Indicate what you found beneficial regarding the instructor's teaching.

thorough availability of learning material and in depth discussions on relevant topics. Access to guest ~~instructor~~ presenters who I found beneficial to the course.
Very helpful to have the course review notes available for download to have on hand.

2. Indicate what you think the instructor could have done differently to assist you in your learning.

3. Other comments.

Unfortunately, I found the instructor checking her phone very distracting to the lecture. If it was something important she needed to check, she should have made the class aware.

Feedback for Your Instructor

(Please note: written comments provided on this page are for your **instructor only**)

Your comments will be returned to the Faculty Member within three weeks after the submission of the course grades to the Registrar's Office.

1. Indicate what you found beneficial regarding the instructor's teaching.

She was extremely knowledgeable & had a lot of experiences to share with the class.

2. Indicate what you think the instructor could have done differently to assist you in your learning.

Although it didn't effect me, I know lots of people were confused about the assignments. More consice^(and definite) info on what has to be done would be beneficial.
